

Engineering Technologist I

Located on the south-western tip of Vancouver Island, BC, Sooke has a sheltered harbor, and is a scenic half hour drive from BC's capital city, Victoria. As a part of a temperate rainforest, the Sooke district has one of the mildest climates in Canada. Characterized by warm, dry summers and mild winters, Sooke's pleasant climate is a year-round paradise for those who enjoy outdoor activities, such as hiking, biking, kayaking or sailing.

The District of Sooke has an employment opportunity for the position of Engineering Technologist I.

The Engineering Technologist I is responsible for assisting in the planning, design, financial control of engineering projects and the on-going co-ordination of various programs such as the infrastructure asset management system, related to municipal engineering infrastructure. Work may include the supervision of contractors, co-coordination of work activities with public and private utilities, developers, and regular contact with community representatives, elected municipal officials, and members of the public. Some latitude for the use of independent judgment and initiative is required in all phases of the work.

To be considered, applicants should have:

- Completion of Grade 12 or recognized equivalent, supplemented by a Diploma in Civil Engineering Technology program from a recognized institute of technology and eligibility to be registered as an Applied Science Technologist in BC.
- Two (2) years' prior job related experience in a similar position or an equivalent combination of training and experience.
- Valid B.C. Class 5 Driver's Licence.

This is a CUPE Local 374 position. The 2017 hourly rate for the Engineering Technologist I is \$35.12/hour, plus an excellent benefit package.
