Schedule H SOLID FUEL BURNING APPLIANCE PERMIT APPLICATION

Being the owner of the described property, I make application for a permit to undertake the specified work. I agree to conform to all requirements of the *Building Regulation Bylaw* and other applicable bylaws. I will comply with any restrictions imposed by the easements or restrictive covenants registered against the property. Neither the issuance of this Permit, nor the acceptance of the drawings and specifications submitted as part of this application, relieves me from the responsibility of ensuring the construction for which this permit is issued conforms to the requirements of the applicable bylaws, nor prevents the Building Inspector from requiring correction of any errors in construction or any contravention of the applicable bylaws.

This application is to:

- construct or install one "single flue" chimney, (masonry or metal)
- construct or install more than one flue mentioned above(##) _____
- construct a masonry fireplace
- install a solid fuel burning appliance
- install a solid fuel burning appliance connected to an existing acceptable chimney

**NOTE: Before the concrete is poured, an inspection of the hearth reinforcement is required.
Smoke/carbon monoxide alarms must be hard wired.
Combustion air supply duct pipes are required and must be installed within 8 feet of the unit.**
