Re: **Revenue Anticipation Borrowing Bylaw**

RECOMMENDATION:

THAT COUNCIL introduce and give first, second and third reading to Bylaw No. 632, *Revenue Anticipation Borrowing Bylaw, 2016*.

Background:

As part of the banking agreement with CIBC, the District of Sooke is required to adopt a borrowing bylaw each year. The bylaw is intended to provide the ability to borrow funds from CIBC to meet current expenditures.

While this bylaw has been updated and adopted every year, the District has not needed to draw upon this line of credit, and there is no intention to do so in the future. The amount that can be borrowed under s.177 of the *Community Charter* is 75% of all property taxes imposed for all purposes in the preceding year. The actual amount used in this bylaw is calculated as 75% of all municipal taxes imposed for all purposes in the preceding year (2015).

Attached Documents:

1. Bylaw No. 632, *Revenue Anticipation Borrowing Bylaw, 2016*.
2. Excerpt from banking agreement with CIBC.

Re: **Council Procedure Bylaw Recommendations**

RECOMMENDATION:

THAT COUNCIL direct staff to prepare amendments to Bylaw No. 422, *Council Procedure Bylaw, 2009* as outlined in the March 7, 2016, Council Procedure Bylaw Recommendations report.

1. Executive Summary:

At the request of outgoing Acting Mayor Reay and current Acting Mayor Kasper, staff have examined the Council Procedure Bylaw and will prepare a number of bylaw amendments for the next regular meeting of council.

2. Background:

Under Section 124(1) of the *Community Charter*, "a council must, by bylaw, establish the general procedures to be followed by council and council committees in conducting their business." While the District of Sooke does have a procedure bylaw in place, the current bylaw requires clarification with respect to public participation at council and committee meetings.

The amendments will:

- a) Increase opportunities for public participation.
- b) Provide clarity with respect to process.
- c) Amend the language used to be easily understood.
- d) Increase public delegation presentations from 5 minutes to 10 minutes. Delegations will be limited to two per meeting.
- e) Require that all presentation materials from the public be submitted to the Corporate Officer no later than 4:30 p.m. on the Monday preceding the meeting (materials will be posted with the meeting agenda online for public and council viewing).
- f) The current Public Question and Comment Period on the agenda will be deleted. Members of the public will now be permitted to speak for 2 minutes to any

item(s) in the Reports or Bylaws sections of the agenda. Members of the public will have until the start of the meeting to register with the Corporate Officer to indicate which item(s) they wish to speak to.

- g) A summary of all received delegation applications to address council will be included in the agenda package, outlining the topic the delegation wished to discuss and whether they were approved, refused, or scheduled to another committee, and the reason for being refused or rescheduled.

3. Strategic Relevance:

Improvements to the Council Procedure Bylaw will align with council's Strategic Plan to ensure "Excellence in Management and Governance" through ensuring public participation and input in council and committee meetings.

**REPORT FOR INFORMATION
REGULAR COUNCIL
Meeting Date: March 7, 2016**

To: Teresa Sullivan, Chief Administrative Officer
From: Engineering Department
Re: **Drainage Issues – Update for Council**

RECOMMENDATION:

THAT COUNCIL receive this report for information.

1. Executive Summary:

When the District of Sooke incorporated in 1999, it assumed the responsibility and ownership of not only the roads within the municipality, but also the associated drainage facilities within the road rights of way. The District of Sooke also assumed the ownership of numerous drainage rights of way through private property that facilitate storm water discharge from land development as well as other lands not yet developed. These drainage facilities range significantly in age, size and type.

Over the past several years it has become apparent that through the passage of time, older road culverts, drainage rights of way and other older facilities have deteriorated to a point where significant maintenance or replacement is required. This has been compounded by the fact that regular maintenance was not carried out due to other budgetary pressures. There is also the problem of property owners ignoring drainage patterns through private property, and working within those drainage corridors, which can cause a negative effect on downstream appurtenances. All of these compounding factors have left the District of Sooke with a number of drainage issues that need to be addressed before significant damage occurs.

District staff has embarked on prioritizing these drainage issues on a need basis and would request that consideration be given to an annual budget of \$300,000 to assist us in resolving these significant drainage concerns.
