

Owner: District of Sooke  
( NAME OF OWNER )

Contract: 2018 Rural Road Rehabilitation Program  
( TITLE OF CONTRACT )

Reference No. 2018\_5400-10\_03  
( OWNER'S CONTRACT REFERENCE NO. )

To all Tenderers:

Date: July 26, 2018

This addendum shall form part of the original documents for the above noted contract and all other segments of the contract shall remain in force except as noted below:

---

**SUPPLEMENTARY SPECIFICATIONS**

**Reference Section 32 12 16 Hot-Mix Asphalt Concrete Paving**

**3.7 Joints**

**Delete Clause 3.7.7**

---

**CONTRACT DRAWINGS**

**Project Overview Drawing**

**The main black text box shall be edited to read:**

The Contract Administrator will accompany and assist the contractor in laying out areas for repairs.

Repairs will consist of milling the entire paved surface down to base materials to 150mm deep unless a non-gravel base material such as organic soil or bedrock is encountered. Milled material will then be respread and compacted within the milled patch to form the new road base. If further reshaping of the road is necessary, the contractor will supply Granular Base Materials. The finished surface of the compacted millings shall be 50mm below the existing asphalt surface. The contractor shall apply a 50mm asphalt overlay onto the new base material, with joints as per MMCD Section 32 12 16 Paragraph 3.7 to tie into the existing asphalt surface. The Contractor will remove and dispose of excess millings and or base material off site.

---

All tenderers shall acknowledge receipt of Addendum #1 (one (1) page) by signing in the space provided and submitting this signed addendum with the tender. Tenders submitted without acknowledgement of this addendum may be considered incomplete.
