

Design by Zach Ogilvie

PLASTIC BAGS WILL NO LONGER
BE AVAILABLE AT THE CHECKOUT

EFFECTIVE
MAY 22, 2022

Thank you for helping our
community reduce plastic waste.

District of Sooke Bylaw No. 831

*Businesses may charge for paper or reusable bags, or
implement a "take a bag/leave a bag" program.*

PRINTED ON 100% RECYCLED PAPER

Sooke2030 brings you closer to home where you can enjoy more time with family and friends, share in a thriving local economy, and appreciate our natural environment and abundant wildlife.

By re-thinking how we move, what kind of buildings we live and work in, where our energy comes from and how we interact with each other and in our community, we can become richer than we ever thought possible.

Sooke is striving to reduce greenhouse gas emissions by 50% by 2030 and 100% by 2050 and we invite you to join us.

By inherently applying consideration for the environment, we will enhance the quality of life in Sooke – for generations to come.

It will take all of us, working together, to reach this target.

See what the District is doing and how you can get involved as we synchronize our efforts towards Sooke2030.
