

# AS-CONSTRUCTED INVENTORY SHEET

BYLAW No. 404, *SUBDIVISION AND DEVELOPMENT STANDARDS BYLAW, 2014*

**Re: Proposed Subdivision/Development of:**

\_\_\_\_\_ (legal description)

**Applicant:** \_\_\_\_\_ **DoS File No.** \_\_\_\_\_

This form is to be completed and submitted by the professional engineer at the time of as-constructed drawing submission and must be accompanied by a certified cost estimate, which must show sufficient detail for the appropriate items to be included in the District's asset management program:

Number of lots in the development		Length of sanitary sewer mains	
Number of statutory rights of way		Number of sanitary sewer manholes	
Number of easements		Number of sanitary sewer connections	
Area of park land dedicated		Length of drain mains	
Length of road constructed		Number of drain manholes	
Number of travelled lanes		Number of drain connections	
Line painting length		Number of catch basins	
Line painting type		Length of ditches	
Sidewalk type and length		Number and sizes of culverts	
Walkway type and length		Area of landscaped boulevard	
Curb length & type		Number of sprinkler heads	
Number of streetlights		Number of sprinkler controllers	
Number of signs		Number of trees	
Type of signs		Type of trees	
Other (signals, etc.)			

I, \_\_\_\_\_, am the Professional Engineer responsible for the design and construction for the subdivision or development of \_\_\_\_\_ and certify that the above information is correct.

Date: \_\_\_\_\_
